What makes the #P40ProPlus the best camera you can buy? TechRadar thinks the 10x zoom and 240mm equivalent telephoto lens could have something to do with it. #VisionaryPhotography https://tinyurl.com/yb4coycx

The #P40Pro Plus' camera is stunning, but it also boasts more storage and faster wireless charging. Read Android Central's full review. https://tinyurl.com/ydc7irc4

Digital skills are critical to success, but many in the developing world have not been given access. See how Huawei is working to #CloseTheGap. #TECH4ALL https://tinyurl.com/ya5ao5se
